

Makoto Yoshimura
Executive Officer
Deputy Vice President & Technology Executive
Power Electronics System Division
TMEIC Corporation

BIO

Makoto Yoshimura serves as the Executive Officer and Deputy Vice President & Technology Executive of Power Electronics System Division, a role he assumed in April 2024.

Yoshimura began his career with TMEIC Corporation in October of 2003, during the formation of the joint venture between Toshiba and Mitsubishi Electric. Yoshimura started in the Power Electronics System Division and was responsible for motor drive system design and development from 1989. And in October of 2017, Yoshimura was appointed the President and CEO of TMEIC Power Electronics Products Corporation in U.S.A. And in April of 2019, Yoshimura returned to TMEIC corporation in JAPAN and was appointed the Technology Executive of Industrial system Division and Renewable Energy & New technology Division.

Yoshimura was born in Kure, Hiroshima Prefecture and graduated from Kyushu University with a BS in Electrical Engineering and a MS in Electrical Engineering. His current focus is to guide TMEIC Power Electronics business's further development and future growth.
